

“Why Would You Take This On?”

“Because This Is What We Do.”

PETER MALEK – NOVEMBER 4TH 2009
AT OLYMPIC VILLAGE HANDOVER TO V.A.N.O.C.

My name is Peter Malek and on behalf of my brother Shahram Malek, our team, and our family we would like to thank the City of Vancouver, V.A.N.O.C. and the over 10,000 workers that shared our vision and believed in us for the 2010 Olympic and Paralympic Athletes' Village Vancouver.

When the City of Vancouver selected us, we took on the Olympic Village, we believe, the same way that a 2010 Olympic hopeful takes on their event. There is no conversation or thought other than to end up standing on the podium proud and accomplishing their vision.

One of the proudest moments of our lives was when we handed over the Olympic Village to V.A.N.O.C. on November 4th on time.

As the athletes from over 80 countries arrive to the greenest, most sustainable, and diversified community on the planet, in one of the most beautiful waterfront locations in the world, we can only hope that you are as proud as we are to represent Canada.

We invite you to see Millennium Water on May 8, 2010, when we unveil *Avenues of the World*.
